

Neha Yadav

Frontend Developer — Software Engineering — Web Development

1000026539@dit.edu.in — +91-7413824789 — linkedin.com/in/neha-yadav-n123

PROFESSIONAL SUMMARY

Computer Science undergraduate with hands-on experience in **frontend development, web technologies, and data structures**. Skilled in building responsive web applications using **HTML5, CSS3, and JavaScript**. Strong understanding of **DSA, OOP, REST APIs, and software development principles**. Proven ability to lead teams, organize large-scale technical events, and solve complex problems efficiently.

EDUCATION

DIT University

Bachelor of Technology (B.Tech), Computer Science

CGPA: 8.7/10

Aug 2024 – May 2028

TECHNICAL SKILLS

Languages: C, JavaScript

Frontend: HTML5, CSS3, Responsive Design, UI/UX, DOM Manipulation

Core CS: Data Structures, Algorithms, OOP, Problem Solving

Web: REST APIs, HTTP, Client-Server Architecture

Tools: Git, GitHub, VS Code

PROJECTS

Library Management System (Web Application)

- Developed a scalable system to manage **books, users, and transactions**
- Implemented **CRUD operations**, search functionality, and issue/return workflows
- Applied **modular coding practices** and structured logic for maintainability
- Improved efficiency of record handling and reduced manual effort

Responsive Portfolio Website

- Built a fully responsive website using **HTML5, CSS3, and JavaScript**
- Optimized performance and ensured cross-browser compatibility
- Enhanced user experience through clean UI and structured layouts

EXPERIENCE

CodeGenX, DIT University

Second Year Coordinator

Apr 2025 – Present

- Led execution of a **national-level hackathon** with 100+ participants
- Organized **5+ workshops** and increased engagement by 30%
- Managed a team of 10+ members and ensured smooth operations
- Improved planning and coordination efficiency through structured workflows

Member

Apr 2025 – Feb 2026

- Assisted in organizing events attended by 200+ students
- Coordinated logistics, communication, and team execution

Elite Coders

Contributor

Jan 2026 – Mar 2026

- Solved **50+ DSA problems** improving coding efficiency and logic building
- Applied algorithms and data structures in real coding scenarios

CERTIFICATIONS

- Data Structures and Algorithms Fundamentals
- Web Development (HTML, CSS, JavaScript)
- NCC 'A' Certificate

ACHIEVEMENTS

- Coordinated national-level technical event (CodeStorm)
- Active contributor to university technical club
- Demonstrated leadership, teamwork, and communication skills
